

**Safe Bulkers, Inc. Agreed to Amend a US \$51.8 Million Loan Facility
with Unicredit Bank AG (Unicredit)**

Monaco, Monaco – March 3, 2016 -- Safe Bulkers, Inc. (the “Company”) (NYSE: SB), an international provider of marine drybulk transportation services, announced today that the Company has agreed to amend an existing loan facility secured by four vessels with an outstanding balance of US \$51.8 million, delaying the balloon payment initially scheduled to be made in 2019 for 2022. This loan facility with Unicredit contains the following financial covenants, in line with the existing loan and credit facilities of the Company:

- The total consolidated liabilities of the Company divided by its total consolidated assets must not exceed 85%.
- The aggregate market value of the four vessels under the facility divided by the aggregate outstanding loan value must exceed 110% until year end 2017 and 120% from 2018 onwards.
- The ratio of the Company’s EBITDA¹ to its interest expense must be not less than 2.0:1 on a trailing 12 month basis, applicable from 2018 onwards.
- The consolidated net worth of the Company (total consolidated assets less total consolidated liabilities) must not be less than US \$150.0 million.

The old repayment schedule and the new repayment schedule are presented in Table 1 below:

Table 1: Repayment Schedule on annual basis in US\$ million.

	2016	2017	2018	2019	2020	2021	2022	Total
Old facilities	1.0	3.3	5.5	31.2	1.0	1.0	8.8	51.8
New facility	0.2	0.5	0.5	6.3	6.3	6.3	31.7	51.8

Dr. Loukas Barmparis, President of the Company, said: “This is the fourth consecutive agreement, designed to reduce the principal installments payable in the next four years and push back balloon payments after 2020 in line with the Company’s policy to maintain a comfortable debt repayment profile, at very competitive costs.”

Forward-Looking Statements

This press release contains forward-looking statements (as defined in Section 27A of the Securities Exchange Act of 1933, as amended, and in the Section 21E of the Securities Act of 1934, as amended) concerning future events, the Company's growth strategy and measures to implement such strategy, including expected vessel acquisitions and entering into further time charters. Words such as "expects," "intends," "plans," "believes," "anticipates," "hopes," "estimates" and variations of such words and similar expressions are intended to identify forward-looking statements. Although the Company believes that the expectations reflected in such forward-looking statements are reasonable, no assurance can be given that such expectations will prove to have been correct. These statements involve known and unknown risks and are based upon a number of assumptions and estimates which are inherently subject to significant uncertainties and contingencies, many of which are beyond the control of the Company. Actual results may differ materially from those expressed or implied by such forward-looking statements. Factors that could cause actual results to differ materially include, but are not limited to, changes in the demand for drybulk vessels, competitive factors in the market in which the Company operates, risks associated with operations outside the United States and other factors listed from time to time in the Company's filings with the Securities and Exchange Commission. The Company expressly disclaims any obligations or undertaking to release any updates or revisions to any forward-looking statements contained herein to reflect any change in the Company's expectations with respect thereto or any change in events, conditions or circumstances on which any statement is based.
