

## **Safe Bulkers, Inc. Announces Closing of its Public Offering of Common Stock**

### **Underwriters Fully Exercise Overallotment Option**

**Athens, Greece**, November 18, 2013 — Safe Bulkers, Inc. (the “Company”) (NYSE: SB), an international provider of marine drybulk transportation services, announced today the closing of its previously announced public offering (the “Public Offering”) of 5,000,000 shares of common stock, and the exercise by the underwriters in full of their option to purchase 750,000 additional shares of common stock, in each case at a price of \$7.43 per share. The sale of the overallotment shares was also completed today. The gross proceeds from the Public Offering including the sale of the overallotment shares, before the underwriting discount and other offering expenses, were approximately \$42.7 million.

Concurrently with the Public Offering, the Company also sold through a private placement 1,000,000 shares of its common stock to Bellapais Maritime Inc., an entity associated with its chief executive officer, Polys Hajoannou, at the public offering price (the “Private Placement”).

The gross total proceeds from the Public Offering, including the sale of the overallotment shares, and the concurrent Private Placement, were approximately \$50.2 million.

The Company plans to use such proceeds for vessel acquisitions, capital expenditures and for other general corporate purposes, which may include the repayment of indebtedness.

Morgan Stanley and Evercore acted as book-running managers of the Public Offering, which is being made under an effective shelf registration statement.

The final prospectus supplement and accompanying base prospectus relating to the Public Offering have been filed with the Securities and Exchange Commission (“SEC”) and are available at the SEC’s website at <http://www.sec.gov>.
